

REMARKS

The claims and the specification and also the abstract have been amended so as to overcome the Examiner's objections.

New drawings are enclosed herewith for the replacement of the drawings presently on file which were considered by the Examiner to be informal.

Claims 1, 6 -7 and 11 - 12 have been allowed by the Examiner and claims 2 - 5 and 8 - 10 were considered by the Examiner to be allowable except for minor informalities which have been corrected.

Reconsideration of these claims and allowance of claims 1 - 12 is solicited.

Respectfully submitted,

K. Bach
